

### REMARKS

Claims 22 - 26 and 28 - 32 are the only claims subject to the restriction requirement. Accordingly, it is deemed that claims 2 - 21 are still under consideration, along with the elected claims 25, 26, 28, 30, and 31.

As indicated by the Examiner, claims 31, 11, 12, 25, and 26 are generic. A current listing of the claims is found on Appendix following these remarks. The restriction requirement and the withdrawal of claim 32 from consideration necessitates the amending of claim 30 to make it dependent from generic claim 31, which claim 31 is still under consideration.

Respectfully submitted,

JEFFREY J. NORMAN, et al, Applicants
